## SENIOR CLASS PLAY

The play chosen by the Seniors this year was "The Patsy." The setting is in a typical suburban home; the play contains all the problems, laughs and worries of a truly modern home.

The story is cleverly woven around the entire household, especially Patricia Harrington, or "The Patsy". She is always quoting bits of philosophy which she has learned from the book, "Wise and Witty Sayings for All Occasions."

She always considers the "sportsman-like side" of everything. Her mother, who is of a peevish disposition, dislikes her and always sides in with Grace, the older sister. However, Mr. Harrington always takes her part.

At the opening of the play Grace has "thrown over" Tony Anderson, whom Patricia has always loved, for the rich Billy Caldwell. Upon hearing this Patricia immediately determines upon a course by which she may get Tony.

Her plans are successful, but just as soon as she gets Tony, she learns that Grace has broken off her engagement to Billy and now wants Tony.

Finally, after a lot of trouble, Grace fixes her engagement to Billy; Mr. Harrington reforms Mrs. Harrington; and, of course, Patsy gets Tony, and they all lived happily ever after.

## Class Prophecy

'Twas in the summer of '99,  
As I was strolling down the Rhine;  
A man approached me with this phrase—  
"You shall into the dim past gaze."

He then led me to a nearby tent,  
And there I many a long hour spent.  
'Twas then I reached a firm decision  
That he was adept in crystal vision.

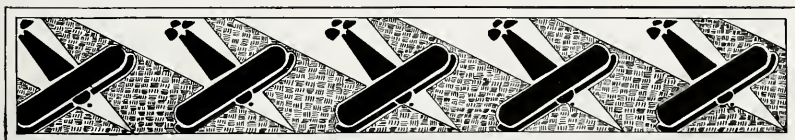

He said if I wished I could behold  
What had happened in days of old.  
I told him my wish to learn the fate  
Of each and every beloved classmate.

He then placed before me a crystal clear,  
Revealing the events of a long past year.  
First, I wondered the fate of our old class president,  
Who, of Utah, had become a resident.

He was a man of endless aim,  
Bill Rothenberger being his name.  
I saw he had gone on a dangerous quest  
In search of the vampire, Mary West.

A red-haired bandit and naughty rogue  
Who shocked the country was Oliver Pogue;  
He had shot some men who invaded his cellar—  
One of them being Emerson Keller.

At the head of the firm of Kohler & Kohler  
Was the worthy man, Allen Mohler.  
Two cooks, who were famed for their heavenly hash,  
Were Florence J. and Pauline Maish;

## THE CAULDRON

They had set up a store on the shores of Lake Erie,  
And had as their waitress, Nan McCreary,  
Who had just been divorced from "the Village Thriller",  
The dashing adventurous Herbert Miller.

The book of the month, exceeding the rest,  
Was Al Ewing's novel, "Father Knows Best."  
It was thought Herbert Hollis was in jail,  
But he had been ten years in Yale;

His professor was acclaimed a second Shelley,  
Who was none other than Robert Kelley.  
His wife, a wizard on the harp,  
Was the famous beauty, Mildred Sharp.

Regina Ruth Campbell and Grace E. Emmens  
Were manufacturers of seedless lemons.  
Gladys H. and Emma Jane Howe  
Had written the book, "Do It Now."

The policemen, Otterman and Russell Corbett,  
Followed the straight and narrow orbit,  
By reading the story of vigor and phlegm,  
Which was Cross' book, "How I Lynch Them."

Before me appeared Harold Kimble, the nimble,  
Who just invented the "fingerless thimble".  
I now behold two players of pranks,  
Who were the ever-devoted Shanks;

The one so Frank, the other so Ruthless,  
Thought their life had been most useless;  
"But not so" was the cry that was uttered by all,  
For Frank had endowed the Boy Scouts' hall.

Williamson, who invented the purple derby,  
Once played the lead in "Cameo Kirby";  
He now was a prof. in Electoral College,  
And claimed F. H. S. the source of his knowledge.

Lula Schenck and Genevieve Schultz  
Were founders of religious cults.  
Robison, Carter and Walter Moore  
Were farmers on the South Sea shore.

Paul Cornelison ran round the globe  
In search of a Brownie so gay and bold.  
The greatest philosopher of the day  
Was Victor Fuller, of powerful sway.

# THE CAULDRON 1930

A piano mover of great repute  
Was Eddie Esra, a heartless brute.  
The sturdy men, Smith, Moore and Sheets,  
Lived their lives without any eats.

Binkley and Chalfant resided on Mars,  
Where they tell the time by the light of the stars.  
The Maurices, Seaman and Johnson,  
Were hailed afar as crafty bondsmen.

Chloie Clendenning and Margaret Vincent  
Were two maids so shy and innocent,  
Who in their life had had much luck—  
Now being the owners of Sears-Roebuck.

Bledsoe had typed her way to the top,  
And now was a lady traffic cop.  
A great acrobat was Opal Walters,  
Of whom it was said: "She never falters."

Witsman, Hall, Thomas and Thacker  
Starred in the play, "The Animal Cracker."  
LeRoy A. Elsea and Milton Erdel  
Were champion leapers of the hurdle.

Arlington Bowman and sister, Elaine,  
Were growers of sweet sugar cane.  
Catherine Barton, a pilot, to Ireland had flown,  
And there she established her future home.

By slashing and cutting his way to fame  
Ray Jacobs had made for himself a name;  
He had captured many a fair lady's heart,  
And was crowned the king of tonsorial art.

Catherine Martin, who wrote on the "News",  
Composed a song called "Bradley Blues".  
M. A. Betts was dancing through life  
To the tune of the accordian, drum and fife;

Till one day a forester came along,  
And then she changed the tune of her song.  
Elizabeth Kimble, once a grower of olives,  
Was now glorified in Ziegfield Follies.

The latest hit on old Broadway  
Was Etta, now called Violet Ray;  
She had as her manager, LeRoy Gum,  
Who taught chorus girls how to hum.

## 1930 THE CALLEDRON

Dorothy Stinson, a grave old sport,  
Was chief justice of the court.  
Della Livesey, as mayor of Evansville,  
Gave the natives quite a thrill,

When, with her sly and cunning ways,  
She ordered the impeachment of Senator Hayes.  
John Hurd, in riding the streets of chance,  
Thought South Jackson worth a glance.

He was the king of the Bow-de-do-do,  
And to Juliet was a fair Romeo.  
Alma Richardson gave the land quite a blow  
When she changed her name to the "Main Gazabo".

She ruled the land of a crazy tribe  
With her husband chieftain, Adrian Geib.  
Swinford and Templin, the maids so coy,  
Lived in the harem of Eldon Noe.

Villars, Ward and Eleanor Lane  
Had founded a home for the insane;  
Its inmates were people quite crazy—  
One of them being E. Wayne Swayzee.

Another was E. Shaffer, grown ten feet taller,  
Who thought he was a great hog-caller.  
Ruth Louise Lucas, the most insane,  
Thought she was chased by a great Dane.

H. Johnson, Holst, Parsons and Tade  
Imagined they were the Ladies' Aid.  
Thornton, Lewis, Bond and Ferrell  
Appeared in the talkie, "Love and Its Peril."

The orator of the day, Vera Geise,  
Was famed for her speech, "Why Life Is Spicy."  
Elberta Robertson thought it her lot  
To choose as her husband Frank Wainscott.

Ed-Y-the Mae Pickett, a maid of the thicket  
Had become the world champion player of cricket.  
Gladys Marie and Maurice E. King  
Were booked months ahead for their Highland Fling.

Esther E. Goar, so clement and pure,  
Was driven to Wabash by a lure,  
Which caused her there to instill knowledge  
By becoming a professor in the college.

# THE CAULDRON 1930

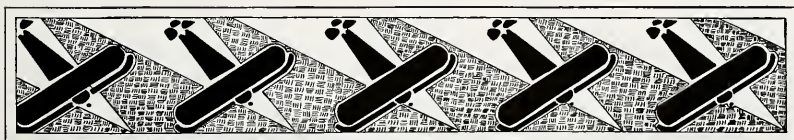

A lodge just established on "Why Do Men Yield"  
Had as its founder, Fred Frankenfield;  
Its charter members, so hardy and Spartan,  
Were Fred Reno and Wayne D. Martin.

Margaret Roberts one day had a call  
Which made her move to the city, St. Paul;  
She gained a name by blowing the trumpet,  
And married her hero, Paul H. Plunkett.

Wilbur Chenault, a man of no fault,  
By infusing tobacco with poison salt,  
Had of its sale made quit a halt.  
Martha Johnston and Betty O'Rear  
St-still thell thee thells by the p-pier.

A Student Princess, who had a strong Will,  
And kept the class average from being nil,  
Was Julia Daugherty, whom we Hurd had the knack  
Of bringing in the most coveted Jack.

After seeing the events that were wrought by time  
I was duly inspired to the following rhyme:  
"Classes come and classes go  
Through summer's heat and winter's snow;  
But best of all, both clean and dirty,  
Was our dear old class of 1930."

### SUNSHINE SOCIETY

The Sunshine Society was established in Frankfort High School in 1911 for the purpose of aiding in charitable undertakings and promoting good will among girl students. The only requirement for membership is payment of dues and willingness to co-operate in any work attempted by the society.

The officers, elected shortly before the close of school last May, assumed their offices in September. Esther Goar acted as president, Ruth Walker as vice-president, Grace Emmens as treasurer, Audra Hamilton as secretary and Emma Jane Howe as corresponding secretary.

A "Get-Acquainted" party was held September 25, in Central Building. After the new members had been introduced to the old, a playlet, "The Gathering of the Nuts," was given by some of the members.

Before Christmas vacation the society sponsored a program given in convocation. An appropriate Christmas gift was awarded each worthy pedagogue in appreciation of his unflinching loyalty to the school and society.

Also throughout the year the girls sold candy, Eskimo Pies and mints at all the basketball games and at the sectional and regional tournaments. This, of course, helped swell the Sunshine treasury, enliven the rooters, and appease the appetites of the followers of the game. Then the society sent delegates to the annual State Sunshine Convention which was held this year at Tipton. After their return the delegates gave a report of their trip, which contained both news and greetings from other societies over the state and helpful suggestions for making our society even better next year.

### HIGH LIFE

This year closed volume eleven in the history of Frankfort High Life. This year, the paper closed its bookkeeping with a handsome profit. The annual High Life Prize of fifty dollars for the Senior graduated with the highest four years' scholarship average will be offered and a small increment will probably be made to the High Life scholarship fund already on deposit and drawing interest.

Departing from precedent, a thing rendered imperative by changing business condition, the paper published but twelve issues from November to April inclusive. The Latin Club again successfully conducted the subscription campaign.

Chiefly, however, the success of the paper was due to the work of Julia Daugherty, Frank and Fred Shanklin as advertising solicitors. Fred Shanklin was business manager, and Catherine Barton made a very capable editor-in-chief. There were two hard-working sport editors, Jack Hurd and Dick Bergen, and two excellent joke editors, James O'Rear and Franklin Isgrigg. Catherine Martin and Wilma Thompson were society editors. Dorothea Harmon rendered yeoman's service as exchange editor and emergency staff-writer, as did the various organization's reporters for 1929-30.

TOP ROW—William Rothenberger, Eldon Noe, Charles Sheets, Richard Nicewander, Richard Bergen, Frederick Frankenfield.

BOTTOM ROW—Arthur Rogers, Maurice King, Louis Miller.

### THE BOOSTERS' CLUB

The Boosters' Club is the representative of the student body of Frankfort High School. It is composed of five Seniors and four Juniors. The members are elected by the teachers and Miss Howard. The Boosters' Club takes charge of pep meetings and other affairs that are necessary in the everyday run of school life. It aids the faculty in any way possible and supports the High School activities. The Boosters' Club each year presents the athletic medal and in connection with "High Life" presents the plates each year for the "Honor Roll".

The members and officers for the past year were: Seniors, Maurice King, President; William Rothenberger, Vice President; Eldon Noe, Secretary; Frederick Frankenfield, Treasurer; Charles Sheets. Juniors, Dick Bergen, Louis Miller, Dick Nicewander and Arthur Rogers.

## FORUM

This club, created to develop more fully the abilities necessary for active life in this age of business and luncheon clubs, serves this ever-growing need of high school boys.

Along with its sister club, the Websterian, it has made the debate season one of the most successful in the history of Frankfort High School. It is the earnest teacher of parliamentary procedure, and the enthusiastic follower of political, economic and scientific issues, but its chief purpose is to develop the speech ability of its members.

The annual Forum Homecoming Banquet which is the only high school function that joins former graduates with present members of an organization, was held Christmas Day at the Coulter Hotel. Jack Hurd, the toastmaster, had arranged a

speakers' program of reminiscences and renewal of friendships of the many former graduates. Through the work and interest of the critic, Mr. Chapman, and its presidents, Louis Miller and Richard Bergen, the club has also been able to bring to Frankfort a debate between Purdue University and Southwestern University, of California.

In view of the spirit enthusiasm, response and accomplishment of the club Frankfort High School sincerely appreciate the interest and efforts of C. E. Chapman.

Officers: First semester—Louis Miller and Jack Hurd, Presidents; Jack Hurd and Carl Fulnecky, Vice-Presidents; Bob Cross, Secretary. Second semester—Richard Bergen, President; John Weymer, Vice-President; Olen Williamson, Secretary.

FIFTH ROW—Opal Walters, James O'Rear, Esther Goar, Rosalie Stinson, Louis Hough, Arthur Rogers, Dale Thomas, Charles Sheets.

 FIRST ROW—Frank Shanklin, Lula Schenck, Robert Cross, Richard Heavilon, William Curtis, Jack Hurd, Maurice King, Fred Shanklin.

## WEBSTERIAN CLUB

Websterian Club is the co-educational speaking and literary organization of the high school. Its purpose is to foster public speaking, drama, literature and parliamentary procedure by having its members take part in the varied programs. The success of the club in this purpose is shown by its fine representation in the various speaking contests, and by the limiting of the membership, necessitated by the club's popularity.

The club has been very active this year in having many interesting programs, including two plays, "If Men Played Cards as Women Do" and "Suppressed Desires," both of which have been very successfully directed by James O'Rear, chairman of the Program Committee. It has also been

more active this year in sponsoring a series of high school debates and one college debate. The club is extra curricular rather than social and has but one party or picnic each year.

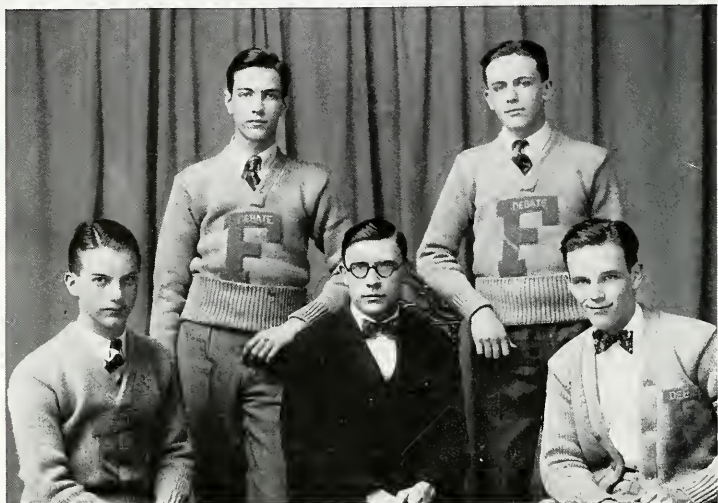

All the programs given in Websterian are judged by the critic, Mr. Chapman, who makes constructive criticism in order to help the members profit by their mistakes.

The officers for the first semester were: President, Bob Cross; Vice-President, Louis Miller; Secretary-Treasurer, Dorothy Smith; High Life Reporter, Florence Slagle. Second semester: President, Frank Shanklin; Vice-President, Dick Bergen; Secretary-Treasurer, Waneta Kirby; High Life Reporter, Dorothy Smith.

## AFFIRMATIVE DEBATE TEAM

Once again, for the fourth time in six years, F. H. S. won the annual triangular debate with Lebanon and Crawfordsville. The subject this year was: "Resolved, that the State of Indiana should adopt, by law, the principle of Old Age Pensions."

To start the season the affirmative lost to the more experienced Elwood negative, while our negative defeated Elwood's affirmative. This defeat set them to work, and they pointed for the season's most important debate, the triangular, defeating the polished Crawfordsville team.

The triangular having been won, the coach and the debaters felt that their major aim had been accomplished, but soon eagerness was revived by the State Debate League contest. There were eight schools entered in this district. In the very first debate, the affirmative was greatly surprised by the strength of the Flora negative

team and lost the decision. However, they redeemed themselves by defeating Windfall and Delphi to complete the district contest with Frankfort in a three-way tie with Flora and Lebanon. Then, in debating off the tie they lost to the Lebanon negative.

The alternate, James McMurtrey, replaced by Richard Heavilon in the Elwood debate, served his team capably, taking the first speaking position in the Flora debate. He has two more years in debate and is an excellent prospect. The first speaker, Maurice King although it was his first year on the team, accredited himself well. He is lost by graduation. The other senior on the team was the second speaker, Wayne Swayzee, who has served well for two years. Richard Bergen, captain and third speaker performed remarkably well, remaining calm and serene at all times. He will be one of the mainstays next year.

Frank Shanklin, Fred Shanklin

### NEGATIVE DEBATE TEAM

The F. H. S. negative team has a record this year that has never been surpassed in the history of Frankfort High School, winning six debates to no defeats. The team defeated Lebanon at Lebanon by a unanimous decision in the triangular debate.

After that important debate had been won the team defeated Lebanon the second time, then Crawfordsville, Thorntown and Flora in the Indiana State Debate League.

Frankfort was fortunate this year in having exceptionally well qualified judges, both in town and out, most of them being college debate coaches. The team was highly complimented by three judges. Three experienced men and one new man composed the negative team.

Perry Merchant, alternate, many times

aided his team by his research and analysis of the opponents' case. He has one more year. Lou's Miller very ably filled the first speaking position. This was his third year on the team, and he will be left for next year. Fred Shanklin, this year's captain, very capably filled the second position. This was Fred's third year at varsity debate also. He will be lost by graduation. Frank Shanklin, also a member of the team for three years, was third speaker. It was Frank's research and last word for his team that swung the decision in several debates. He also will be lost by graduation.

The unusual record of this year's negative team attests to the able coaching of C. E. Chapman, who has coached these three for three consecutive years.

To promote the highest standards of Christian ideals—the Hi-Y. The club was organized in 1928 with Mr. Earle as critic, and it progressed rapidly under his guidance.

The Hi-Y sent representatives to the state and district conferences at Elkhart and Cutler and held one in Frankfort; this was attended by members of Hi-Y clubs located within a radius of forty miles of our town.

Several programs were given before the student body during the past semester, but the crowning achievement sponsored by the Hi-Y was the second-hand book store. This was the first time any project of this nature was conducted in the high school, and the Hi-Y plans a better one next year.

### CURIA LATINA

Curia Latina, the Senior Latin Club, has been considered one of the most active organizations in school, and the members have been asked to help with nearly everything that has been done in school.

The biggest accomplishment this year has been the editing of the "Latin Stude," a very snappy little paper which is edited each month. This is the first year a Latin paper has been edited in Frankfort High School, and the whole school should feel justly proud of the Latin department for editing a paper which won second place in the National Contest for foreign language papers, sponsored by the Columbia Scholastic Press Association. The "Stude" has also received much praise from other noted schools and professors.

The officers for the first semester were: First Tribune, Julia Daugherty; Second Tribune, Richard Carr; Scriba, Elizabeth Dorner; Quaestor, Dorothy Smith. Second Semester: First Tribune, Ruth Blinn; Second Tribune, Waneta Kirby; Scriba, Audra Hamilton; Quaestor, Martha Stine.

### GIRLS' GLEE CLUB

Much interesting and successful work has been accomplished by the Girls' Glee Club this year. Probably the most outstanding feature of the year was the operetta, "The Belle of Bagdad", given by both the Girls' and Boys' Glee Clubs. As usual, the girls sang for Commencement. Much credit should be given to Miss Nixon, the director, and Eleanor Lane and Dorothy Rothenberger, the two accompanists this year.

## OPERETTA

"The Belle of Bagdad," presented by the Music Department under the direction of Miss Nixon, was very cleverly given in the setting in old Bagdad. The outstanding feature of this year's performance was the elaborate costuming and stage setting. Both choruses and cast gave excellent performances.

### THE BAND

The Frankfort High School Band, which is under the direction of Mr. A. M. Thomas, has had an unusually successful year. The membership has been increased to fifty. Through the generosity of the Chamber of Commerce a drum major's suit was purchased last Fall and this has added to the appearance of the band.

The band won first place in Class B in the Central Sectional Contest held at Muncie this Spring, and thus won the right to enter the all-state contest at Elkhart. A cup was awarded to the band at Muncie for being the best-uniformed and neatest band in the contest.

The annual Spring concert was given in conjunction with the orchestra.

## ORCHESTRA

The Frankfort High School Orchestra, under the direction of Miss Nixon, is one of the best that we have had in recent years. April and May are busy months for members of the high school orchestra. They play for the operetta, the gym exhibitions, the class play, commencement and baccalaureate. The band and orchestra together usually give a concert biennially in May for the Spring festival of music.

At the close of each school year graduating seniors who have been in orchestra are rewarded for their work with pins, gold pins being given to those who have been in it for three and a half years, silver pins to those who have been in for two or three years, and bronze pins to those who have been in for two years.

This year a representative, Maurice King, was sent from this school to the National High School Orchestra at Chicago.

In 1919, the Junior Matinee Musicale was organized to further the interest of high school girls in music. The same year the club joined the State Federation of Music Clubs. In 1925 the club voted to adopt the name of the Staccato Club and has been known by that name since.

This year the programs which have been given bi-monthly have consisted of musical programs and reports given by the twenty-five members. The main social event of the year was a dance given at the Country Club, which was very successful.

### THE EGG AND POULTRY JUDGING CONTEST

The Frankfort High School Egg and Poultry Judging team placed sixth at the Boys' and Girls' State Club Round-Up held at Purdue University on May 5 to 9. Brazil high school team placed first with a total of 1,805 points. The Frankfort high school team members were Gerald Smith, Erland Rothenberger, Cloyd Percy and Robert Aughe, alternate. Frankfort high school team made a total of 1,625 points.

In the egg judging division of the contest the Frankfort team ranked fourth in the state. This team was selected in an elimination contest held between all members of the Vocational Agricultural Department.

TOP ROW—Mildred Thornton, Richard Bergen, Frank Shanklin, Fred Shanklin, Marguerite Templin.

MIDDLE ROW—Ruth Hayes, Martha Unger, Martha Hanaway, Ruth Walker, Pauline Maish, Eleanor Lane.

### COMMERCIAL CONTESTS 1930

Each year the Commercial Department sends representatives to a district commercial contest. The state is divided into 21 districts, and each school in the state is entitled to representation in one of these.

This year the district contest was held at Lafayette, April 12. Frankfort was represented by three teams, Beginning Shorthand, Amateur "A" Typewriting and Novice "A" Typewriting.

Frankfort, as a rule, wins honors in typewriting at the state, and 1930 was no exception. But this year one more honor was added, namely, shorthand. For the first time a Frankfort Shorthand team won first place in the state.

This team was composed of Eleanor Lane, Leon Lewis and Gladys Howe. Besides winning the shorthand shield Frankfort also won a half interest in the shorthand silver loving cup. Peru and Frankfort tied for points in shorthand, Peru winning first place in advanced and Frankfort winning first in beginning shorthand, making a tie so far as points are concerned. At the

## THE CAULDRON 1930

district contest individual honors were: First place, Eleanor Lane, 100%; second place, Leon Lewis, 99.7%.

Amateur "A" Typewriting team was: Ruth Bond, Lula Bledsoe and Elaine Bowman. This team placed first in the district, and also won individual honors as follows: First place, Lula Bledsoe; second place, Ruth Bond, third place, Elaine Bowman. This amateur team placed second in the state contest. Individual honors at the state: Second place, Ruth Bond.

The members of Novice "A" Typewriting team were: Fred Shanklin, Frank Shanklin and Richard Bergen. This team won first place in the district with the following individual honors: First place, Richard Bergen; second place, Fred Shanklin. At the state contest the team placed third.

Frankfort high school placed second in the state in total points made in all events. Mishawaka placed first with 21 points, entitling them to the governor's cup; Frankfort placed second with 20 points. Considering the fact that Frankfort had only three teams entered as against Mishawaka's five, and that there were approximately 150 schools entered in the state meet, the showing made by the local school was remarkably good. This is the first time that Frankfort has ever come so near winning the governor's cup due to the fact that Frankfort high school cannot enter as many events as the larger schools.

The state commercial contest is always held at Muncie, Indiana, at the Ball State Teachers' College. That interest is increasing is evidenced by the close competition which was a special feature of this year's contest. Teams won in some instances by only .4 of a point.

# 1930 THE CAEDRON

## ATHLETIC DEPARTMENT

The Frankfort High School is indeed fortunate in its corps of coaches and its athletic plant. While it has taken years to build this athletic department to its present condition, Frankfort can now boast that it has one of the best plants in the state, and a group of superior coaches.

The Case Field has recently been completed and is one of the most modern fields in the state, being equipped with a cinder running track, jumping pits, space for intra-mural football and baseball. It is the home of Frankfort track teams, and this Fall will be used to develop future football stars.

### Night Football

The local school is entering into the innovation of night football and work has been under progress during the past year on a new field east of the Riley school, including five acres of land, which will be one of the best athletic fields in the middle west. This tract of land has been graded and sodded. This Summer it will be fenced, bleachers will be erected and flood lights will be put into position so that all home football games next season will be played under the giant lights. In the near future a quarter-mile cinder running track will be constructed, and a baseball diamond included. It is possible that night baseball may also be played in Frankfort.

It is also being considered by local school officials to tear the old floor out of the Central gymnasium and install a dirt floor, so that it may be used for indoor football and track work during the inclement weather.

Howard Hall, Frankfort's commodious gymnasium, is the home of the Fighting Fives, and all basketball, physical education and indoor work is included in this fine building. Locker rooms, showers and all facilities for the physical education and athletic work is included. The ward schools have gymnasiums where our basketball players are developed and physical training work is conducted.

The athletic fields have been built and constructed out of receipts from the basketball games, so that athletics are self-supporting and have not cost our taxpayers one cent.

With such a coaching staff as we now have and the excellent facilities on hand, there is no reason to be alarmed over the future of the Frankfort High School athletic teams.

LINE COACH

Frankfort High School is fortunate in having one of the greatest coaching staffs in the middle west.

Mr. Case is considered the outstanding basketball mentor in Indiana, and is known throughout the country for his great Frankfort High School teams. He is an advocate of the delayed offense, and is constantly developing new and startling variations in basketball technique. The state champions from Frankfort in 1925 and 1929 were under Mr. Case's direction.

Raymond Rohrabough, former Franklin College star and all-state college center, developed the nucleus of a winning football team in F. H. S. last fall. Frankfort secured the services of Coach Rohrabough from Kirklin High School, where he has turned out state championship teams and many stars of the gridiron. He has in-

stalled the football system in Frankfort and in a few years the Blue and White will be leading contenders.

Clifford Pribble has instilled a new interest in track and during the past season developed one of the best dual squads in the state. He came to Frankfort High School from Marion where he was successful in turning out good track men. In a few years, Frankfort should have some lads who will place high in any track meet. Mr. Pribble is a former Wabash College track star.

John Redmon, who acted as line coach in football and assistant track coach during the past year, was coach of all sports in Peru High School for several years and has been of inestimable value in helping to re-instate football in the roster of Blue and White sports once more.

# 1930 THE CALLEDORON

## ROY UNROE

"Happy" Unroe filled the captaincy during the past season in very satisfactory manner. He played forward and was one of the best offensive men ever to represent the Blue and White. He was a consistent scorer, and his shoes will be hard to fill next season. "Hap" was a great leader for the Fighting Five, and his fine mental attitude will always be remembered.

## FRED WITSMAN

Fred has been one of the hardest fighters ever wearing a Blue and White uniform, and during his four years on the squad has missed only one practice. He is the only athlete to earn three letters in football, basketball and track in the history of F. H. S., which is an outstanding honor. He will be a hard boy to replace.

## HERB HOLLIS

"Herb" has developed into one of the best ball handlers and dribblers in the state. It was against Kokomo that he turned the tide against the Wildcats. He was a hard worker and faithful and loyal to F. H. S. during his four years on the squad. He was honored by receiving the Killmer Sportsmanship Trophy. Hollis is a Senior and goes the way of the graduating men.

## DANE STROUP

This was the first year for Stroup on the squad and he played in a great many Varsity games. In the first game at Muncie, Dane was one of the outstanding offensive men. He has all of the qualifications for a great player, and with the experience gained during the past season and enough determination, should develop into a valuable player. Stroup is a Junior.

## BOB PRIMMER

"Bob" was one of the flashiest players that Case ever turned out. He has been a member of the Fighting Five for three years and during that time has been a consistent scorer, and was used in the Varsity games as a "pinch hitter." He will make a worthy basketeer for any college. We are sorry to lose "Bob" this year.

## EVAN THOMPSON

"Red" was one of the greatest fighters ever to wear a Frankfort uniform, and he was unanimous choice for all-state forward. He was certainly a valuable "pinch" hitter, and was always equal to the occasion. He will be back next season, and should aid the Casemen in their quest for a third state title.

## STEWART LOCKE

"Studie" settled the worries for the back-guard position this season, and could also be counted on to score from that position. He has two more years with Case, and should develop into one of the best guards in Indiana. He is a fighter from start to finish.

## ED SHAVER

Ed, playing the floor guard position, has brought back memories of "Pete" Good during the past two years. He was honored and selected all-state guard during the recent state tourney, and will be back again next season in an effort to repeat. His long underhand shots were spectacular, and he tied for scoring honors in the state finals with Englehardt of Washington. He is determined that next season, Frankfort will again be the state champion.

## CHARLES LAWHEAD

Charley, completing his third year as a regular on the Fighting Five, is one of the best offensive men in the state. He was handicapped, however, as Coach Case was forced to shift him to the center position and during the recent tournament, he did the jumping for the Blue and White against superior height and weight. "Lindy" will be back to help the "Hotdogs" next season, and a great deal is expected from him.

## BILL McCARTY

"Bill" has proven himself a worthy recruit for this year. He is a typical Frankfort fighter and ball handler. He will be a strong contender for a varsity position next season. Bill is a Sophomore.

# 1930 THE CAEDRON

## BASKETBALL

The Frankfort Fighting Five played through one of the best seasons in history, winning the majority of their games from the leading high school quintets in the state. Faced with one of the most difficult schedules in the history of the school, the Blue and White set out and captured the North Central Conference title, won the sectional and regional tourneys, and defeated Central of Fort Wayne and Anderson in the state finals before bowing to Muncie in the semi-finals of the Butler fieldhouse class.

"One of the smartest high school basketball teams in the country" was the prediction of leading coaches and critics of this year's edition of the Fighting Five. It was a great team to follow in the footsteps of the 1929 state champions and with a giant center available to control the ball from the tip there is no doubt but what the Casemen would have repeated another state title.

### Beat Rochester in Opener

The Blue and White opened the season the early part of November with a 47 to 31 victory over the strong Rochester outfit in Howard Hall. Unroe and Lawhead were the high scorers for the Casemen, while

Thompson looked best for the Lake City boys.

Playing the part of state champions in every detail, the Fighting Five invaded Muncie and downed the Bearcats, 44 to 26, in the new Magic City fieldhouse before a crowd of 6,000 fans. The defensive work of Shaver and the basket sniping of Stroup was outstanding.

John Adams and his Vincennes Alices were next in line and went down in a hard-fought game before Case's reserve squad, 31 to 28. Hollis and Witsman pulled the locals out of the fire. Pyle, Vincennes center looked best for the down-state five. Football sweaters and letters were awarded the pigskin totters between halves of this game.

### Martinsville Falls

Making it four straight wins, the Fighting Five went to Martinsville for a battle with their ancient enemy, the Artesians, winning by a score of 32 to 27. "Red" Thompson led the great Frankfort attack, closely followed by Lawhead and Unroe.

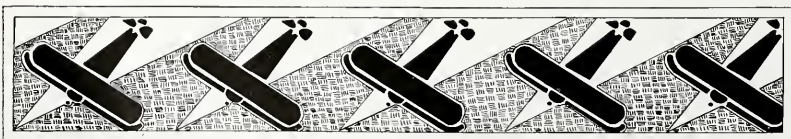

The Kokomo Wildcats entertained Case's outfit on December 5 in Haworth gym. Kokomo, in one of the best battles of the season, forced Frankfort during all of the ball game but "Red" Thompson and Hollis added new life to the locals, who managed to come home with the long end of a 40 to 32 count.

In the first defeat of the season the Anderson Indians were extremely accurate in Howard Hall and pulled away a great victory, 36 to 33.

Morton of Richmond was the next victim, and using the reserves, Frankfort won from the Wayne county invaders, 30 to 18. Bob Primmer and "Studie" Locke were outstanding for Frankfort.

One of the famous "stall" games was played in Howard Hall on the night of December 26, with the Fighting Five coming out ahead of Martinsville, 15 to 10. Gaining a 15 to 4 lead at half time the locals elected to protect their lead.

Playing another slow deliberate game at Lebanon the Blue and White eked out a 23 to 20 victory over the Old Gold and

# THE CAULDRON 1930

Black. Shaver saved the game by his accurate shooting and fine defensive play.

## Beat Bearcats, 41-34

Keeping up their great record of the early season, the Fighting Five outfought Muncie in the return game for a 41 to 34 win. The Bearcats led at the half, 20 to 16, but could not stem the second half tide of the Casemen. The Bearcats were led by Jack Mann, giant negro center.

Invading Gary for their all-important game with Horace Mann, the Frankfort lads won after a bitter battle, 18 to 16. Coming back on Friday night to Logansport and backed by one thousand Frankfort fans, Captain Unroe and his teammates gave the Berries their worst defeat of the season, 22 to 11, in Berry Bowl. The next engagement was with Jefferson of Lafayette in the new Jeff gym, and the locals using the reserves, held the Bronchos to a ten-minute overtime game with the Jeff lads edging out a 41 to 38 win.

Reproducing the final game of the 1929 state finals, Frankfort again showed their driving power by defeating Tech in their new gym at Indianapolis, 25 to 21.

Led by Primmer and Lawhead the locals won from the Marion Giants at the Grant county seat, 31 to 22. The Marion fans were loud in their praise of the Fighting Five.

Determined to show that the close win at Lebanon was no comparison between the two teams, the Blue and White swamped Lebanon in the return engagement at Howard Hall, 46 to 26.

Playing one of their best games of the year, the locals downed Rochester at Rochester, 51 to 17, but lost to Horace Mann of Gary the next night in the return encounter, 25 to 21. Elser was the big gun for the up-state team.

## Frankfort Wins Big Ten

Frankfort clinched first honors in the Big Ten by winning from the Newcastle Trojans 29 to 27, in one of the most exciting battles of the year. The next night one hundred Frankfort fans journeyed to Columbus to see the Fighting Five drop a

close overtime game to the Bull Dogs, 29 to 25, confident that the best team lost.

Kokomo came to Frankfort determined to win, but the locals turned back the Wildcats for the second time, 38 to 36. Jeff of Lafayette also returned the game and after an additional ten-minute overtime the Blue and White came out with the long end of the score, 34 to 31.

Staging one of the greatest comebacks in their history, the Fighting Five dropped a close thriller to Anderson on the Indians' own court, 34 to 33 to end the regular playing season. At one time Anderson led 19 to 7, but great offensive work by Lawhead and Shaver put the locals in the lead, which they lost in the last seconds of play.

## Sectional Tourney

The Frankfort quintet won the sectional tourney for the tenth consecutive year by defeating Jefferson, Michigantown, Jackson Township and Colfax. In the first game the Casemen had it rather easy, winning from Jefferson, 36 to 9. Michigantown was doped to hold the locals to a close score, but Frankfort went on a scoring spree and won easily, 56 to 20. With Primmer leading the attack, Frankfort swamped Jackson Township in the semi-finals, 71 to 12. In the finals Colfax threatened for a short

# 1930 THE CAULDRON

while, but were subdued by Captain Unroe and his mates, 42 to 23.

## Regional Tourney

Advance, winner of the Lebanon sectional tourney, came to Frankfort for the regional classic and met the Fighting Five in the first game. With Plunkett and Heath as their star performers the Boone county lads gave the locals a great game, but lost in the last half, 39 to 20. Jefferson of Lafayette defeated Otterbein in the other semi-final game and earned the right to meet Frankfort in the night game to decide the representative to the state finals. In one of the tightest defensive games of the season Frankfort defeated Jeff, 24 to 14. Jeff trailed at the half, 9 to 6. The Blue and White held Jeff to two field markers during the game.

## State Tourney

Handicapped by height at the center position, the Casemen made a valiant fight for honors at the state finals, defeating Central of Fort Wayne, 31 to 19 in the first round, and downing Anderson in the second game, 22 to 17. Anderson had defeated the Casemen twice during the season by close margins, but were no match for the inspired Blue and White quintet in the morning game. Led by Jack Mann, the giant negro center, the Muncie Bearcats won the semi-final game from Frankfort, 18 to 14. The Casemen led at the

half 7 to 3, and with four minutes to play, the score was tied at 14-14, but some well-timed shots by Davidson and Swift brought victory for the Bearcats. It was the end of a wonderful season, and with Thompson, Stroup, Locke, McCarty, Lawhead and Shaver back next season F. H. S. should again be one of the leading contenders.

## Second Team

One of the reasons for a good varsity team in basketball every season is the manner in which Coach Case develops the second team. "A good second team makes a good first team" is his motto, and during the past eight years the local reserves have lost few games and for a period of three years were undefeated.

During the past year the local B team downed some of the best first teams in this section as well as the B teams of the larger schools. Perry Central, Muncie, Kokomo, Avon, Boswell, Lebanon, Jeff of Lafayette, Marion were included among the victims.

Good Garrott, McCarty, Hough, Walton, Aughe, Surface, Meneely and Miller were awarded the minor "F" awards by Coach Case. Some of the above boys will be hard to keep off the varsity team next season and they will be supplemented by Cook, Good Nance, Nichols, Behr, Larick, Woofington, Branigan, Catron, McCall Milton and Aughe, who come from the Junior high school.

### GOLF

Frankfort High School was host to the Big Ten in the annual golf tournament, which was held at the Frankfort Country Club. The Schools entered were Technical (Indianapolis), Kokomo, Muncie, Rochester, Newcastle, Lebanon, Logansport, Anderson, Richmond, and Frankfort. Tech won first in team competition, Frankfort placed second. Davidson of Muncie won first in individual competition. The Frankfort team was composed of Edward Shaver, Bill McCarty, James Mency, and

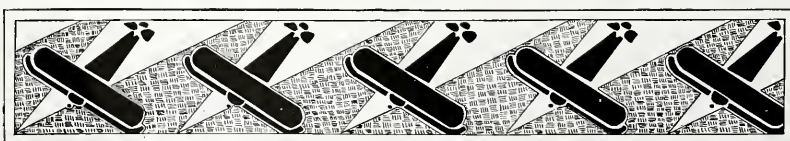

Bob Marsh. The tourney will be held at Tech next fall.

### TENNIS

The annual Big Ten Tennis tournament was held in conjunction with the Big Ten Track and Field Meet at Tech (Indianapolis). Frankfort failed to place in either singles or doubles, but was represented by a fine team. Kokomo won first in the doubles, and Muncie was first in the singles. This year's team was composed of Robert Cross, singles, and Frank Wain-scott and Louis Miller, doubles.

CASE FIELD

## TRACK

With the completion of Case Field, with its splendid track and ample facilities for practice and training, track has made a decided jump during the present season, and Frankfort has been represented by one of the best balanced squads in years. A new era in track work has developed and the future is bright for winning track teams. Coach Pribble has worked hard and a great amount of credit is due him for the splendid showing of the thinly clad. The athletic department has co-operated in every way to make track a success, and a new interest has been developed.

This year's track squad was well balanced. In the dashes Don French and Dick Aughe were the most consistent, both winning major awards. Primmer and Cross represented the Blue and White in the hurdle events, Primmer making the low sticks his specialty, while Cross was best over the high barriers. In the distance runs Surface, Pickering, Norris, Cornelison and Kirkpatrick were the mainstays, adding many points to the locals total. Moore and Carmack were Pribble's best bets in the 440, and should be excellent quarter-milers next spring.

For the first time in many years the locals were strong in the field events. Lawhead, Miller and Durbin carried the colors of the school in the high jump. Sheets and Witsman, both Seniors, were point winners in the shot put, and their absence will probably be noticed as much as any on next year's team. In the pole vault McCarty and Swayzee were point winners. Swayzee graduates, but McCarty will be back next year. Forsythe and Swayzee took care of

the broad jumping for the locals and garnered points in several of the dual meets.

The boys who composed the relay teams follows: Pickering Norris, Cornelison and Moore in the mile relay, and Forsythe, Aughe, Don French and Swayzee in the half-mile relay. Both of these teams hold Case Field records.

## Win Dual Meets

The first meet of the season was with Crawfordsville on the Wabash College track, which the Pribblemens easily won, 64 to 35. The next meet was held on Case Field against our neighbor rival, Jeff of Lafayette. The Blue and White showed marked improvement against stronger competition and defeated Jeff, 65 to 34.

In a walk-away meet against Tipton the locals scored their most impressive victory of the season, winning 84 to 15. The Pribblemens won all but one first in this meet. Smarting from a defeat received last season, the Blue and White came back to wallop the Westfield aggregation, 61 to 38.

This win was followed by stronger competition in the Central Indiana meet held at Lafayette. The locals made a wonderful showing, finishing second in the team scoring. Delphi was first with 46½, Frankfort second with 37½, Lebanon third with 33½, Jefferson of Lafayette fourth with 27, Tipton in fifth position with 10½ and Crawfordsville sixth with 10.

For the first time in history a Frankfort track team defeated Noblesville in a dual competition, 75 2-3 to 41 1-3. This win closed the dual competition for the season without a defeat.

# 1930 THE CALEDRON

## EVAN THOMPSON

"Red" led the Frankfort backs in scoring, totaling 24 points during the season. Thompson's record performance was when he scored six times for points after touchdown. He played fullback and should prove a valuable man for F. H. S. next season.

## KARL FULNECKY

Fulnecky was a hard fighter with the old "Irish" spirit and played in the backfield during the past season. He was one of the best tacklers on the squad, although he played in the backfield. He will be back again next fall.

## CHARLES FRENCH

"Frenchy" was one of the big mainstays in the backfield during the past season. When yards were needed "Charlie" carried the ball. French will be back again next season and should be one of our best bets.

## DICK BERGEN

"Dick" played the end position, and he sure could fill the bill. When an opponent

started around his end it was just too bad. "Dick" is a husky chap and will be back to aid the locals next fall.

## ED SURFACE

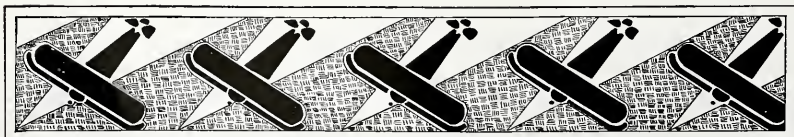

"One of the toughest guards in the state" was the cognomen applied to Ed Surface. He played more actual playing time than any man on the squad, and next year will captain the Fighting Bucaneers in what promises to be a real season.

## LEON LIPP

"Lipp Tail," as he was called by Buck, was a real lineman. At center he could spin the old pigskin in quick fashion, and he was plenty tough on defense. Leon will also be back again.

## JOHN RUDELL

"Johnny," otherwise known as "Football Ruddell," started as quarter on the team, but was injured in the Southport game. He later was shifted to a halfback position in the final games on the schedule. He should make a great punter for Frankfort next season, as he will be back again.

## WAYNE SWAYZEE

"E. Wayne," as he is known to most everyone, was one of the best quarterbacks on the Frankfort team. After Ruddell's injury Swayzee directed the team and did a fine job at the quarterback post. He received a broken collar bone in the final game and was carried from the field smiling. "Swaze" is a Senior and his place will be hard to fill. Wayne was honored by his teammates in giving him the Football Sportsmanship Trophy.

## FRANK SHANKLIN

"Shank," as he is known, was one of Buck's most valuable players. He could snag passes from everywhere and played end. He also graduates and will be missed as his shoes will be hard to fill.

## PAUL CORNELISON

Playing end for the first year Cornelison developed into a real player. He not only performed well in track, but did Frankfort a great amount of good in football. The team will be without his services next season, as he graduates.

## JOYCE HALL

Another tough lineman was Joyce Hall. He always came out of a play with a smile on his face and "pepped" up the line when needed. Joyce graduates this year and will be missed by everyone. He has been assisting Coach Rohrabough in coaching the underclassmen in spring practice.

## ROBERT KELLEY

Bob Kelley was a lineman, and he sure could break through the opposing line to break up play after play. This is Kelley's last year, and we regret losing Bob, as he was a fighter from the word go.

## FRED WITSMAN

When Coach Rohrabough made his first call for candidates Witsman was on hand, and it was soon found out that Fred could play football as well as basketball. He played center, and was a reliable man. He also graduates this spring.

## CHARLES SHEETS

"Charlie" was one of the heaviest players in the line, and was a great help in keeping in check the opponents' charges. He could hit hard, was a good tackler and great defensive man. This is Charlie's final year.

# 1930 THE GRIDIRON

TOP ROW—James Davis, manager; "Buck" Rohrbaugh, coach; Cross, Clidene, Sheets, D. Witsman, Cummings, D. French, John Redmon, line coach; Everett N. Case, athletic director.

MIDDLE ROW—Swayzee, Shanklin, Moore, Lapp, Shanklin, F. Witsman, Hall, R. Aughe, Garrott.

BOTTOM ROW—Norris, Fulnecky, Kelly, Thatcher, Bergen, Thompson, Ruddell, C. French, Cornelison, Surface.

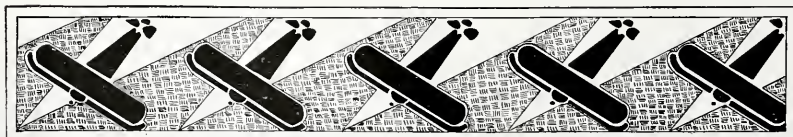

SITTING—Reno, Chittick.

## FOOTBALL 1929

After an absence of football for over twenty years on the Frankfort campus, this sport is again made a part of the athletics in the Frankfort High School, and the Blue and White ended their season with three victories, two defeats and a tie. Frankfort fans give Coach Rohrbaugh great credit for developing a winning team from raw material. Coach Rohrbaugh had been a great star on the Franklin College team, and had coached the Kirklin High aggregation for three years, where he developed many outstanding stars on the gridiron.

Prospects are bright for a successful season next year, judging from the men who have been out for spring football. A great schedule has been arranged for next fall, including Martinsville, Westfield, Thorntown, Kirklin, Broad Ripple, Lebanon and Southport.

Coach Rohrbaugh presented D. French, R. Aughe, Norris, Fred Shank-

lin, D. Witsman, Moore, Clidence, Hurd, Swango, Garrott and Locke with minor "F" awards, while Swayzee, Cornelison, Kelley, Witsman, Thompson, Ruddell, Hall, Frank Shanklin, Sheets, C. French, Fulnecky, Surface, Bergen and Lipp received the sweater and major "F" awards for their work on the gridiron.

### Trounce Arcadia 54 to 0

The Blue and White warriors opened the football season by trouncing the Arcadia eleven, 54 to 0. Frankfort fans were loud in their praise of the new team and coach and considered it an excellent showing for the first football game in many years. Ruddell scored 18 points in this game, while Fulnecky, Norris, Thompson and French scored touchdowns.

With added confidence the locals tacked the strong Westfield team, champions of Hamilton county, but the experience of the Westfield boys was too much and the Blue and White came out with the short end of a 19 to 0 count. Coach Rohrabough's lads put up a great battle with the half ending in a scoreless tie, but the Hamilton county crew pushed across three markers in the last two quarters. Ed Surface played a great game for the Buccaneers.

Playing the first game away from home, the Frankfort eleven journeyed to Southport and were turned back by the Cardinal team, 26 to 0. It turned out to be a disastrous day and was the only poor showing of the year. The locals were penalized over three hundred yards by officials in this game, which was certainly a great handicap.

### Beat Tech, 12 to 0

With they backs to the wall, the Blue and White outfit downed Technical of Indianapolis on the home field, 12 to 0. The first touchdown resulted when Bergen recovered a fumbled Tech punt behind the goal. "Red" Thompson snatched a forty-yard pass out of the air to race across for the second touchdown.

Keeping up their old fight and determination the Frankfort aggregation downed Washington of Indianapolis, 14 to 0. The Capital City team was heavier and more experienced than the locals, but the Bucaneers played a superior brand of ball. The two touchdowns were made by Swayzee and Ruddell.

In the last game of the season the locals tied the visiting Broad Ripple team, 6 to 6. Frankfort scored first when Thompson plunged across, but Aikman retaliated for the visitors. Broad Ripple also threatened in the closing minutes, but could not score.

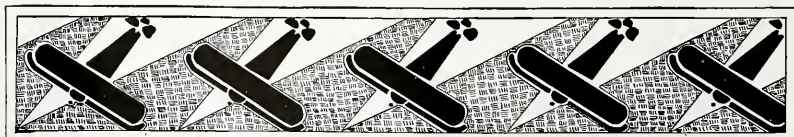

TOP ROW—Florence Lowery, Virginia Christy, Mary Robison, Thelma Painter, Virginia Bass, Dorothy Somsel.

BOTTOM ROW—Shirley Lucas, Eleanor Hays, Martha Benjamin, Helen Boots, Faith Reagan.

### GIRLS' ATHLETICS

The gym exhibition, given two nights this year in order to accommodate everyone, was a very colorful affair. It was divided into two parts—the grade schools, furnishing a calendar of the year in a succession of dances entitled "The Festival of the Months," provided the first half of entertainment, while Junior High and High School students completed the program with varied drills and exercises. Many unique dances and costumes featured this year's entertainment and all were most enthusiastic in their praise of such a fine exhibition of physical co-ordination as was demonstrated this year. During the intermission Merritt Goff, a little clog dancer, gave a very interesting exhibition of tap dancing, which proved exceedingly popular with the crowd.

The second part was given by advanced students. Most of the dances in this part were European folk dances. The pupils in each dance were

dressed in the costume of the peasants that the dance represented. The Varsity Drag, tap dance, was the only one not representative of a country. The high school tumbling team brought the gym exhibition to a close with a series of formations better than those ever before given in Frankfort. The undoubted success of the exhibition was due in no small part to Miss Dorothy Campbell, who, with her corps of assistants, gave so much time and valuable knowledge to the children who participated.

The gym exhibition is the culmination of the work done in the city schools under the supervision of Miss Dorothy Campbell. The work done by the high school students in this exhibition, upon the whole, showed what these students were doing in their regular gym classes, and surely everyone present was convinced that the physical training department for girls is accomplishing a great work.

# 1930 THE CALDRON

TOP ROW—Mr. Pribble, Coach; Nicholas, Litwiler, Mr. Redmon, Manager; Johnson, Behr, Mr. Warren, Principal.

BOTTOM ROW—Hardesty, Brown, Larick, Fudge, Powell, Lowden.

## THE JUNIOR HIGH SCHOOL BASKETBALL

The Frankfort Junior High School may justly boast of one of the best basketball teams it has had since the county champions of 1925.

Under the splendid leadership and coaching of Mr. Pribble, what seemed to be a slow moving five, developed into a fast, fighting and hard working quintet. In every game they easily outscored and outplayed their opponents, and the thing that counts most in any athletic contest—teamwork—was always manifest, along with that fine co-operation between a coach and his men.

The boys on the squad took constructive criticism readily, and this developed their other playing qualities to the utmost degree of perfection.

Out of a total of fourteen games scheduled the only one lost was to Kokomo Junior High School, and only then was it lost after four overtime periods.

A backwoods mountaineer one day found a mirror which a tourist had lost. "Well, if it ain't my old dad," he said, looking at it. "I never knewed he had his picture took."

He was so pleased that he took the mirror home, stole into the attic and hid it. But his actions did not escape his suspicious wife. That night after he was asleep she slipped up to the attic and found it.

"Hm-m-m," she said, looking into the mirror. "So that's the old hag he's been hangin' around after."

"I had only one father." "Your business?" "Rot ten." "Where is Washington?" "He's dead." "I mean the capital of the United States." "They loaned it all to Europe." "Now do you promise to support the Constitution." "Me? How can I? I have a wife and six children to support."

An Irishman lay dying when the odor of cooking assailed his nostril. Summoning his weeping daughter to his bedside, he said: "Nora darling, ain't it doughnuts what I smell?"

"Right for ye, father," the girl replied.

"And would ye be asking your mither if I can have one before I die?"

The daughter delivered the message to mother in the kitchen and brought back this answer:

"Mither says we cannot have one of them doughnuts. They're fer the wake."

"How do you like your friends here at the asylum?"

"O, they're quite the nuts!"

"If a hen laid an orange, what would the little chick say?"

"Oh, look at the orange, marmalade."

Mother: "Good-bye, Oswald, and remember, do dress warmly at college. I don't want you to catch that fraternity gripe."

Irishman: "You're a Canadian. You were born in Canada."

Scotchman: "No, sir! My mother and father were Scotch, so I'm Scotch."

Irishman: "You were born in Canada, so you are a Canadian even if your parents were Scotch."

Scotchman (heatedly): "Well, if a cat had kittens in an oven, would you call them biscuits?"

"I'm twenty-one today, and I can vote."

"No, you can't."

"Why not?"

"There's no election."

Jim Forsythe: "You've got a hole in your stocking."

Geraldine Dowden: "I'm not even wearing stockings. That's my vaccination."

Jack: "Wanna go canoeing?"

Julia: "No, let's go for an aeroplane ride."

Margaret: "Moan-in-low—"

"Peanut butter."

*The Indian trail zig-zagging through the forest is now only a tradition. The white settler cleared and widened it, but scientific road building blasted hillsides to gain a mile and save half an hour. The new industrial era demanded a direct, smooth swift, modern system of highways.*

For 38 years Stafford has been a scientific annual builder. Early methods have been improved upon or discarded. Experience has blasted away trying obstacles that eat up energy and block efficient management. Make Stafford your construction engineer, and enjoy the direct modern methods embodied in books bearing the phrase
